

Application No: 10/696,658  
Amendment Date Sept. 19, 2006  
Reply to Office Action of June 1, 2006

**Amendment to Title:**

Please replace all prior titles to this application with the amended title:

A Multi-Purpose Cosmetic and Aromatherapy Treatment

**Amendment to Technical Field:**

Please replace paragraph (0002) with the following amended paragraph:

The present invention relates to a multi-purpose cosmetic composition; more particularly a cosmetic that serves to improve the overall appearance of the skin, hair or body with the intent to purposely influence the mood and overall well being of the wearer by its aromatic odors when inhaled; and most particularly a cosmetic composition containing essential oils.

**Amendment to Abstract:**

Please replace the current Abstract with the following paragraph:

The invention provides a multi-purpose cosmetic product and aromatic conditioner that serves to improve the overall appearance of the skin, hair or body and purposely influence the mood and overall well being of the wearer by its aromatic odors when inhaled. The type of influence is determined by the essential oil chosen and its natural influential properties upon the body. The product can be used solely as a cosmetic or solely as a mood enhancing aromatic treatment which serves specifically to enhance the well being of the wearer or third party inhaling its aromatic odors.
